WELCOME TO BIG MOUNTAIN

About Us

The Full Story

USA Big Mountain Paper Inc is a manufacturer of medical and incontinence care products located in Jacksonville, Florida specialized in producing products for any kind of needs - from most affordable to the most premium quality. Owned by a Belgian group with over 20 years of experience, USA Big Mountain Paper Inc is bringing to United States the highest technology used to produce the most premium and eco-friendly products you can find in Europe.

Our production team is trained to work to a high quality standard to ensure a consistent quality product. Thanks to our high daily sales volumes we benefit from best freight prices which is a benefit shared with our customers.

Our R&D department is constantly looking for improvements and new developments to ensure we are increasing our customer's competitiveness.

INCONTINENCE CARE

BIG MOUNTAIN GROUP

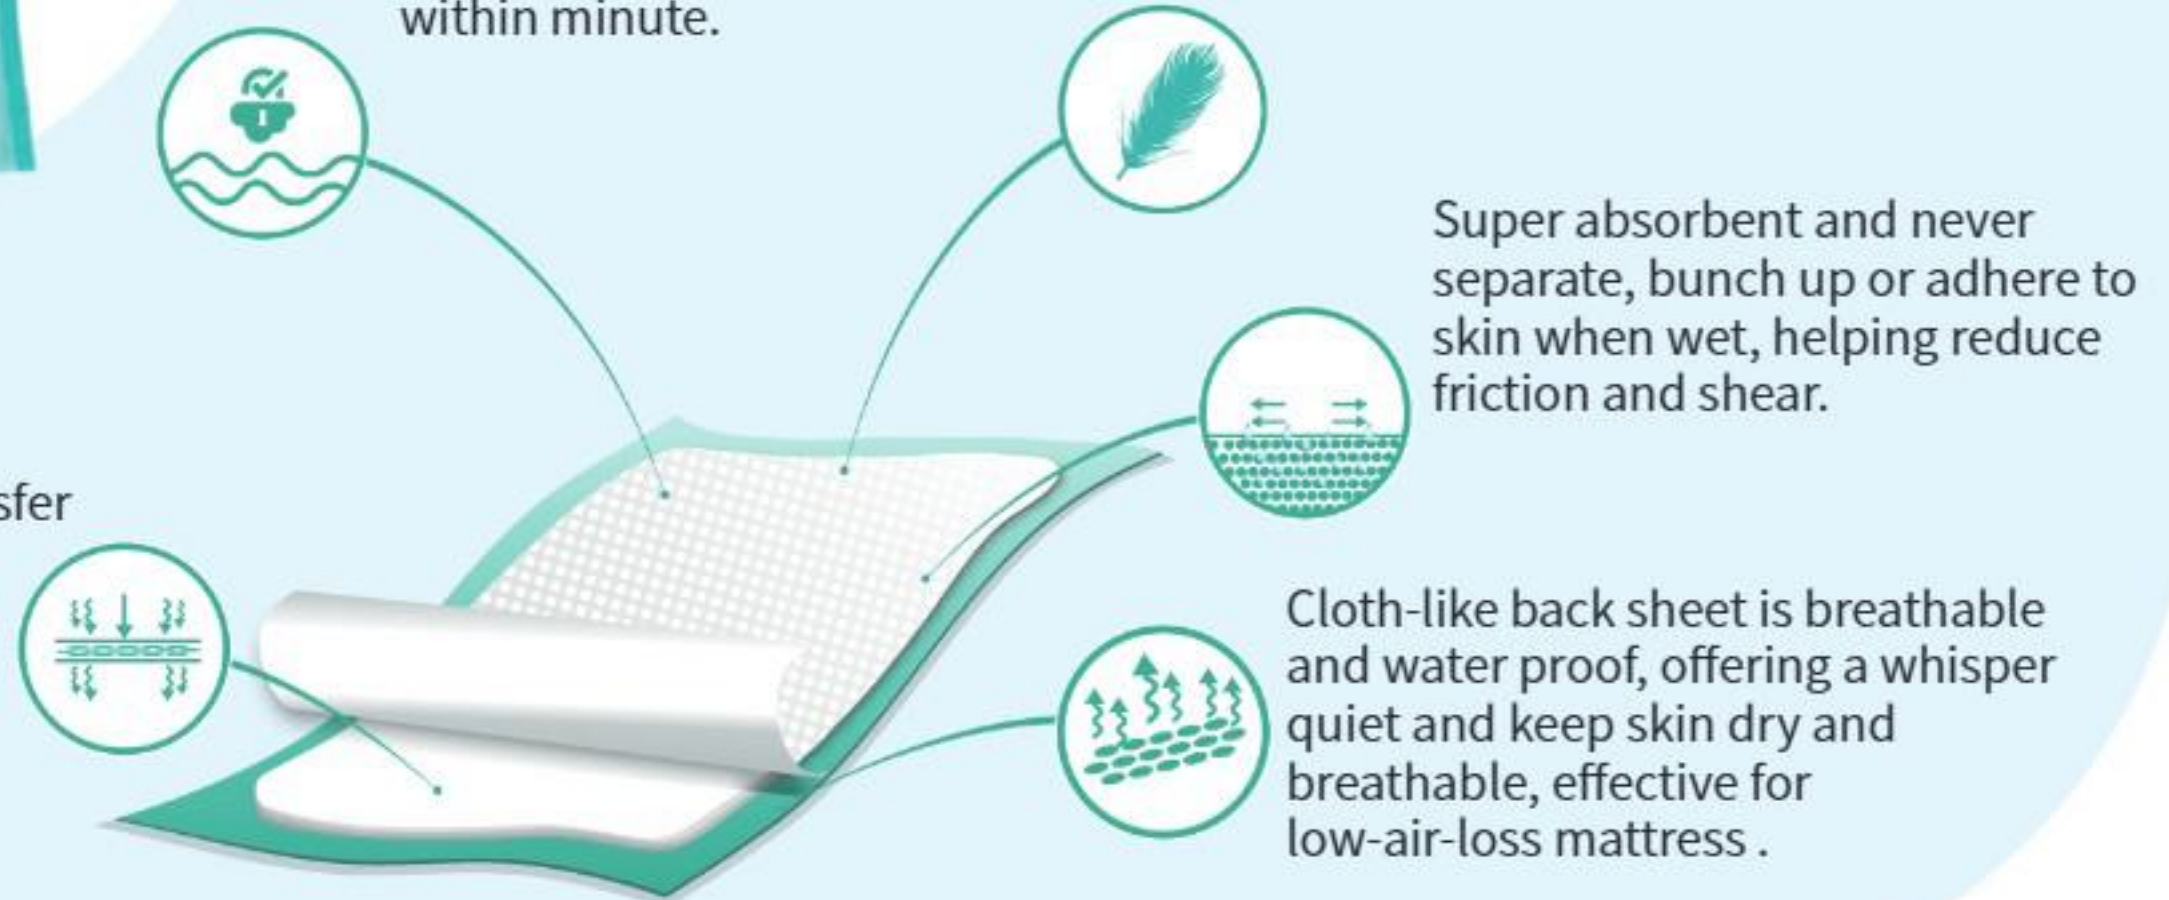

PREMIUM UNDERPAD

Waterproof and breathable backsheet.

Draw in moisture, lock it away from skin and feel dry to the touch within minute.

Feather soft non-woven surface for enhanced comfort and dignity.

Allow moisture vapor to transfer away from the patient while protecting bed linens from bodily fluids.

Super absorbent and never separate, bunch up or adhere to skin when wet, helping reduce friction and shear.

Cloth-like back sheet is breathable and water proof, offering a whisper quiet and keep skin dry and breathable, effective for low-air-loss mattress.

PREMIUM STRENGTH UNDERPAD

Strength capacity up to 400lbs.

Draw in moisture, lock it away from skin and feel dry to the touch within minute.

Feather soft non-woven surface for enhanced comfort and dignity.

Allow moisture vapor to transfer away from the patient while protecting bed linens from bodily fluids.

Super absorbent and never separate, bunch up or adhere to skin when wet, helping reduce friction and shear.

Cloth-like back sheet is breathable and water proof, super strength back sheet assists in the lift and repositioning of patients up to 300~400 pounds.
